WORK EXPERIENCE

IT Technician **VincNet Cafe** **2019 - 2020**

- Computer networks – installing, configuring and maintaining computers.
- Diagnosing hardware and software faults and solving technical and applications problems.
- Troubleshooting the WAN for a faster internet for the users.

F12/PPT **Pepkor Speciality** **2020 - 2023**

- Assist in inventory management activities such as receiving, verifying and storing incoming goods.
- Retrieve items from designated storage areas and prepare them for delivery. While doing this it is important to adhere to safety protocols and guidelines while operating the machine.
- Conduct routing inspections on a daily basis on the PPT to ensure proper functioning and report any issues to the supervisor.
